Agenda Items

Coaches for 2006: The committee has decided to advertise for a 9s, 10s, 11s, 12s, 13s and 15s coach.

TC will arrange for an advertisement to be placed in the next club newsletter.

RG will arrange to place an advertisement in the Community Newspaper.

BC will publish an advertisement and registration form on the club website.

MK asked TC if it was compulsory for coaches to undertake a police clearance check. TC said he hadn't received anything official from East Fremantle in relation to this issue.

Registrar for 2006: TC will arrange for an advertisement to be placed in the next club newsletter.

LH as the retiring Registrar will prepare a list of key duties to assist TC in framing an advertisement for the newsletter. LH is also prepared to offer assistance to the new Registrar.

BC, MK and RG will inquire with parents from their teams to see if anyone would be interested in being the Registrar for next season.

Light Towers: RD reported that the cost of the two proposed light towers had ballooned out to \$44,000. The committee agreed that the club was unable to afford this amount of money and therefore will not be purchasing any light towers.

General Business: RD raised the issue of a lack of storage space at the club. The main reason cited was the storage area was not large enough to accommodate the football club and both the senior cricket club and junior cricket club. RD will raise this issue with Jeff Moore from the City of Canning and discuss some possible solutions.

LH reminded the committee that the Club Recorder should send letters out to all current players informing them of how many games they have played for the club. The club usually does this in January.

TC believes the club should provide appropriate accounting software to the Club Treasurer MJ to assist him in preparing the club accounts. MJ would investigate what his requirements were

and report back to the committee.
